Native Farmers Market Wash and Refinish

Project Overview:

The Farmer's Market is a pavilion structure in need of cleaning and Painting the wood siding and to install bird deterrent in the rafters.

Background:

The Farmer's Market is located at the corner of S. Leaton Road and E. Broadway Roads, Mt. Pleasant, MI, directly across the street from 7070 E. Broadway.

Scope of work:

- Power-wash the interior wood trusses removing bird droppings.
- Power-wash the exterior wood siding, soffits, fascia and posts with commercial grade detergent and bleach product to remove mildew.
- Annular ring nails should be used to secure any loose siding and trim.
- Sand the cedar siding to remove mildew.
- Apply a high quality exterior siding paint.
- Install Bird B Gone UN-341 Garden Bird Netting Mesh, 3/4-Inch by 14-Foot by 100-Foot, to deter birds from nesting in the interior trusses. Netting will be supplied by the owner.

The project must be completed in 1 month:

The work will commence immediately upon execution of a contract.

Submission deadline:

June 15, 2021 by 5 p.m.

Proposals must be emailed to:

romaloney@sagchip.org
